	Mohammed Mostafa Abdelwahab		
	Mostafa Mostafa Rezk		
#	Publication	Authors	Year
1	Anal incontinence	-	2004
2	Bleeding per rectum: 5 diagnostic tools	-	2007
3	Colorectal cancer in Egyptians	-	2008
4	Management of abdominal trauma	-	2004
5	Perianal suppuration	-	2006
	Ahmed Fahmy		
	Abdou Hamed Gaafar		
#	Publication	Authors	Year
1	Application of the AgNORS method to fine needle aspiration smears and biopsies of breast lesions - in Benha medical journal	-	1994
2	Breast conservative therapy in treatment of cancer breast - in Benha medical journal	-	1998
3	Comparative study between the use of polypropylene mesh and porcine dermal collagen in the repair of large and difficult abdominal wall hernias - in Benha medical journal.	-	1994
4	Comparison of open and laparoscopic treatment of acute appendicitis - in Benha medical journal.	-	2001
5	Hartman procedure in management of diverticular disease of the colon - in Benha medical journal	-	1996
6	he operative risk of diabetes mellitus - in Benha medical journal.	-	1994
7	Laparoscopic cholecystectomy : difficulties & complications in 300 cases – in journal of tropical medicine.	-	1993
8	Laparoscopy in diagnosis and staging of abdominal malignancy – in journal of tropical medicine.	-	1993
9	Management of civilian colon injuries - in Benha medical journal .	-	2001
10	Microlaparotomy laparoscopically assisted cholecystectomy - in Benha medical journal	-	2001
11	New technique using mesh in treatment of oblique inguinal hernia - in Benha medical journal	-	2001
12	Obliteration of fat surrounding S.M.A. and celiac axis is it pathognomonic for pancreatic carcinoma - in Benha medical journal	-	1993
13	Oral streptomycin and metronidazole compared with three doses systemic cefoperazone prophylaxis in elective colorectal surgery - in Benha medical journal	-	1993
14	Postoperative biliary stricture - in Menoufia medical journal	Mahmoud F EL-Gendy, Metwally L EL-Shahawy, and Medhat A Farag.	1992
15	The role of an isolated anastomosis in one stage surgery in acute left sided colonic obstruction - in Benha medical journal	-	1999
16	Traditional surgery versus endoscopic sphincterotomy followed by laparoscopic cholecystectomy in management of calculi obstructive jaundice - in Benha medical journal	-	1998
17	Vascularized tissue flaps versus conventional skin approximation for closure of irradiated wounds after soft tissue sarcoma resection - in Benha medical journal	-	1993
	Adel Ali Alsamanodi		
	Ahmed Hamed Abdelmaksoud		
	Ahmed Shawky Ezzat		
#	Publication	Authors	Year
1	Role of C.T scan in diagnosis of abdominal malignancy and surgical complications - in Benha medical journal.	-	1990
2	Bile constituents in bilharzial hepatic fibrosis and gall stones – in Benha medical journal	-	1989
3	Choledeco duodenostomy in the treatment of CBD stones -in Tanta medical journal	-	1988
4	Comparative study between one stage and two stages procedures in penile hypospadias reconstruction - in the new Egyptian journal of medicine	-	1994
5	Comparative study between the use of polypropylene mesh and porcine dermal collagen in the repair of large and difficult abdominal wall hernias - in Benha medical journal	-	1994
6	Diagnosis of upper GIT bleeding in children by endoscope versus barium meal – in tropical medical journal	-	1989
7	Evaluation of different techniques in management of 2nd degree haemorrhoids - in the new Egyptian journal of medicine.	-	1994
8	Evaluation of emergency and long term sclerotherapy for bleeding oesophageal varices - in Benha medical journal.	-	1992
9	Laparoscopy in diagnosis and staging of abdominal malignancy – in journal of tropical medicine.	-	1993
10	Mastalgia : aetiology & clinicopathological study and management - in the new Egyptian journal of medicine.	-	1992
11	Postoperative biliary stricture - in Menoufia medical journal.	-	1992
12	Random study between bromocriptin and danazole in treatment of fibroadenosis –in Tanta medical journal	-	1987
13	Results of surgical treatments of anal stricture - in the new Egyptian journal of medicine.	-	1992
14	Risk factors of intestinal obstruction in newborn – in the new Egyptian journal of medicine.	-	1988
15	Role of bacteria in gastritis and duodenal ulcer - in the new Egyptian journal of medicine.	-	1989
16	Role of computed tomography with sialography in diagnosis of parotid swellings - in Benha medical journal	-	1994
17	Role of mammography in diagnosis of breast diseases - in the new Egyptian journal of medicine.	-	1988
18	The operative risk of diabetes mellitus - in Benha medical journal	-	1994
19	Treatment of cholangio carcinoma - in the new Egyptian journal of medicine.	-	1989
20	Use of stiplers versus hand sewn in colonic anastomosis - in Benha medical journal.	-	1990
	Ahmed Yehia Ahmed Farid		
#	Publication	Authors	Year
1	A more sensible approach for ttt of GERD	-	0
2	A preoperative biliary drainage as a protective strategy for immunocompromised patient with obstructive jaundice	-	0
3	Anorectal malformation.	-	2003
4	Laparoscopic ttt of CBD stone: single stage lap approach to cholelithiasis and choledocholithiasis.	-	0
5	MRCPC as an accurate modality for dignosis of choledocholithiasis	-	0
6	New markers in diagnosis and prognosis of SIRS in critically ill surgical patients.	-	0
7	Post burn contracture neck , classification and management	-	0
8	Prospective randomized study evaluating the reduction of post surgical adhesions by intra operative application of adhesion prevention solution	-	0
9	Two different approaches for rigid fixation of zygomatic and orbital floor fracture.	-	0
